### we're proud to be associated with these quality local suppliers

We source our meat locally from **Jurassic Coast Meats** (est 1985) where the Sealey family have been specialising in rearing Aberdeen Angus beef since 2008. Passionate about traditional British farming and using agricultural methods that sustain the environment for the future, their cattle are grass fed and free to graze in the Dorset countryside and grow at a natural pace, resulting in extraordinary texture and flavoured meat which is dry-aged for 28 days.

Our fish comes from **Davy's Locker**, an established supplier of first class fish and shellfish, which is purchased daily not only from West Country Ports but throughout the UK. Salmon is delivered overnight to us direct from one of Scotlands premier suppliers. Paul Started in 1987 and has personally been involved for over 15 years operating small and deep sea boats & operating from Bridport, Dorset.

Our shellfish supplier, **Portland Shellfish** is a 3rd generation family owned Portland fish merchant. Now at Portland dockyard to gain access to clean water to ensure stable salinity for the shellfish, their unique location is perfect to source fresh local shellfish using static gear & potting to ensure daily fresh supplies of Dorset shellfish.

Our favourite local butcher - Dennis and his **Fantastic Sausage Factory**, a family run Weymouth butchers specializing in sausage production with over 40 years experience. Recipes are designed and created by Dennis who sells over 1 million sausages a year, sourcing and using only the finest meats and ingredients. We are confident you will be amazed how good they taste and of course you can visit his Weymouth shop to see the huge variety on offer.

Our ice creams come from **Craig's Dairy Farm**, a free range dairy farm located a couple of miles up the road in Osmington. Owner operator Trevor has been there plying his trade for over 30 years, priding themselves on the quality of their products, milk, butter, ice cream amongst others. They have a lovely farm shop you can visit too.
